In re:

Application of Dominion Energy South
Carolina, Incorporated's Establishment
of a Solar Choice Metering Tariff
Pursuant to S.C. Code Ann. Section
58-40-20

PETITION TO INTERVENE OF
FRANK KNAPP, JR.

1/15/21
stod

Frank Knapp, Jr. hereby petitions the Public Service Commission of South Carolina ("Commission"), pursuant to 26 S.C. Reg. 103-836 and other applicable rules and regulations of the Commission for permission to intervene in the above-captioned docket. In support of this Petition, Mr. Knapp would show the following:

1. I reside at 118 East Selwood Lane, Columbia, South Carolina 29212, and I own an office building located at 1717 Gervais Street in Columbia, South Carolina and another commercial building located at 1160 Berl Mar Road in Columbia. All three are served by Dominion Energy South Carolina, Incorporated ("Dominion").
2. I represent myself in this proceeding.
3. In this proceeding the Commission will determine a solar choice metering tariff including a methodology to compensate customer-generators for the benefits provided by their generation to the power system.
4. I am a residential and a commercial customer of Dominion Energy South Carolina. I own two commercial buildings that have solar panels. My position in this docket is that the proposed changes to the methodology to compensate customer-generators will have a detrimental effect on my business financial position.

5. As a residential and commercial customer my intervention will aid the Commission by assisting in the development of a full and fair record to address the issues raised in this proceeding. I have a direct and material interest in the issues to be addressed and resolved by the Commission in this docket and my interests are not adequately represented by the current parties to this proceeding.

6. I am informed and believe that granting my request to be made a party of record in the above-captioned proceeding is in the public interest, is consistent with the policies of the Commission in encouraging maximum public participation in the issues before it, and should be allowed so that a full and complete record addressing the views and concerns of myself can be developed.

WHEREFORE, I pray for the following relief:

- A. That this petition to intervene be granted by the Commission and that I be made a formal party of record to the proceeding;
- B. That I be allowed to participate fully in this proceeding and to take such positions as I deem advisable; and
- C. That such other and further relief be granted as is just and proper.

Dated this 14th day of January 2021.
